

Child Care at its Best through Primary Caregiving

The Acorn School Teacher Qualifications

Come teach in a positive, open, social environment at a truly unique school for early childhood development. Our mission is to advocate for higher standards in the field of child care by modeling high quality care and education programs.

The Acorn School for Early Childhood Development in Boulder is looking for qualified, experienced, professional teachers to support our classrooms that serve children from 6 weeks -- 6 years old.

Responsibilities:

Teachers at the Acorn School are to cover necessary shifts in the classroom and work in cooperation with other classroom teachers, support the emotional, physical, cognitive, and social needs of the children, and foster positive relationships with parents.

Minimum Qualifications:

- ~ Must meet (or be working towards) the requirements of Early Childhood Qualification as specified by Colorado Department of Health and Human Services.
- ~ Have the desire to serve children and parents, and to work supportively with a group of excellent teachers who are constantly learning from each other and progressing in their field.
- ~ Possess strong interpersonal, relationship building, and organizational skills and the ability to multi-task.

Preferred Qualifications:

- ~ Applicants with infant nursery supervisor qualifications will be highly considered.
- ~ Pyramid Plus training or experience

This position is a 35-40 hour/week. Pay depends on experience.

This position is available immediately.

If interested please send a cover letter outlining your interest in the position as well as your availability and resume to info@theacornschool.org. Competitive pay and benefits.
